QRZ FROM WARS

The WELLESLEY AMATEUR RADIO SOCIETY will hold its sixth meeting of its 15th year on Tuesday, February 7th at 7:30 PM. The Club Room is located in the basement of the Wellesley Hills Branch Library, located at the Northeast Corner of the intersection of Routes 16 and 9 (210 Washington Street). Entrance is in the rear.

The featured speaker will be Mr. R. Wade Caywood, WIKRD, Sales Manager for the James Millen Manufacturing Company in Malden, Mass., who will lead a discussion on impedance matching. For the past year there has been some confusion over the use of a matchbox on 50 ohm lines. This topic will be most timely, so please plan to attend.

Members are encouraged to bring guests. Refreshments will be served.

CLUB NEWS

The weekly Novice and General Courses on Wednesday and Thursday nights respectively are going very well. If you know anyone who might like to join, they will be most welcome.

The Club's membership roster will be ready for circulation at the February meeting.

PLEASE DISCUSS OUR CLUB ACTIVITIES ON THE AIR

George: Do Drop in sometime.
